

MEMO

TO: Board of Directors
FROM: Joe Jackson
DATE: July 23, 2007
SUBJECT: Adoption of Sewer System Management Plan (SSMP) Development Plan & Schedule

Purpose

To present to the Board for adoption the SSMP Development Plan and Schedule prepared by staff to comply with the order of the State Water Resources Control Board.

Summary

In an effort to standardize regulation of the wastewater collection systems in California, the State Board adopted an order requiring all collection systems to develop a Sewer System Management Plan (SSMP), which must be approved by the Board of Directors.

The District's SSMP Development Plan and Schedule is attached for review.

Recommended Action

That the Board adopt and approve the proposed SSMP Development Plan and Schedule for submittal by August 2, 2007.
